A range of desserts, cakes and pastries are available at a cost of £4 per person. However, most parties do prefer to bring their own cake and serve this as dessert.

A cake knife, plates and forks are available upon request.

We need to have a confirmation on numbers, special dietary requirements and payment five days before an event.

We have some amazing suppliers and chef. If there is something specific that you have in mind please do not hesitate to contact us. We do have a very small kitchen but you will be amazed what we can do in it.

Sadly due to a very small kitchen we can not offer fridge space to hirers, please ensure that any cake supplied can be stored at ambient temperature.
